

Happy April.

So, what's going on at Corvair Pergatory this month?

FOR SALE

1963 Greenbrier – Ready to sell, had tank cleaned and installed with new sending unit \$4600

SOLD 64 coupe dark blue -prior owner spent over \$13,000 on restoration. \$6,900

SOLD 63 Turbo coupe-running, all body work done, needs interior ... \$3,000

64 convertible silver, PG resealed engine \$3,500.

Work in progress

62 Wagon: off to the paint shop. New painter, lots of promises. We will see.

Painter is working on it, just not very much.

Painter says it will be in primer before the April meeting.

66 Corvair LS motor implant: completed wiring for the motor. Tried to start it.

Throwing belt due to misaligned pulleys, that's a problem since all accessories had to be moved and new brackets installed. It is resting for now, til I get the itch to investigate the problem.

No progress since I got the Elcorvino.

62 8-Door ready for EFI installation and some weather stripping.

Dec: EFI installed, working great.

68 Ultravan: Bought an Ultravan

DEC: new project arrived and it got cold so this project is on Ice until spring

New project

61 El Corvino:

Nov: got engine running, working on major rust issues. Starting at roof and working down the vehicle so I can get windows back in. First need to get brakes working, then start rust repair.

DEC: Well lots more rust than at first glance. Replaced the A-pillars, lots of the sheet metal in below the windshield vent area. Decided to cut out the 61 master cylinder and the fire wall and weld in one from a 63 junker so I could have the master cylinder in the trunk area. That was quite an adventure. Started replacing the front floor bds and realized that a significant part of the pinch weld and rocker area were dust. Engineered a method to replace them and installed about 80% so far. Working on replacing floors behind the front seat now. Lots of cutting, making sheet metal parts and welding them in.

Feb: pinch weld, rockers, floors, master cylinder firewall replacement all done. Replaced all the brake lines and connected to dual master, rebuilt all the wheel cylinders, cut the trunk bottom out of junk car and out of the Elcorvino, ready to weld it in.

Mar: Well this car has taken all my time since I got it. I finished all the sheet metal work last week.

I used 12 feet by 4 feet of sheet metal to make parts and weld them in. The dash is painted, the bondo first coat is on all the body weld seams, started the next layers of bondo to make it somewhat smooth. And bondo the roof section to get it ready to paint.

Left to do: repair doors, install the windows install dash .

The rest of the body will have to wait. Ready to get back to some of the projects above.

Running and yard driving.

I HAVE BUSINESS CARDS FOR THE CLUB, ASK FOR SOME IF YOU VISIT ME, ELSE PICK UP SOME AT THE NEXT CLUB MEETING.

I have Corvair Interchange books for sale at every meeting \$10 to members, All proceeds go to the club

Club pens are for sale at the meeting \$2.00 proceeds go to the club.

Club business cards handed out at the meeting.

.

Cheek Tech Session

The Corvair Club met at the Cheek Garage for a tech session with ten attending. One car on the property left on Dustin Stouffer's trailer. The Sprint sending unit for the gas gauge was determined to be bad and has been ordered from Clark's. Following the tech session, the Board met.

Sandra Cheek

Corsa SC 2021 Membership Dues and benefits

Annual dues are only \$15 and they are due now. You may pay your dues at our next meeting or mail to us. If you are a first time member please tell us a little about yourself and what you would like to gain from the club?

Checks should be payable to Corsa SC and mail checks to

Sandra Cheek
222 Inman Mills Road
Inman, SC 29349

Membership Benefits

Joining our club offers many benefits

Voting and participating in club growth and local events

When you join you can put in your input, help create and organize events and gatherings and be part of the voting process.

Participation in National events

CorsaSC has many who dedicate their time to national Corvair events and you can be part of that as well! By being a member of the club, you can have the chance to join in and represent our club on a national level.

Parts and Repair Network

We are very fortunate to have numerous Corvair parts and repair vendors in the Upstate and surrounding areas. By joining you help us keep this network growing and by being a active member you yourself can run your Corvair related ads, requests and services.

If you know of an event that is missing
from this list, please let us know asap so we
can out it in and make everyone aware of
all the great events out there.

ATTENTION

Need 2 volunteers to manage
head count at door to
Feasthall. The assignment
will be for 2 hours each day,
Friday and Saturday
Contact Mike Callahan if
you wish to volunteer.

CORSA SC CLUB DRIVE TO MOTOR CO. GRILL FRANKLIN, NC

A scenic drive to the Motor Company Grill on Main St. in Franklin, North Carolina is planned for Saturday, May 15, 2021. We will meet at the QT 6 miles off of I-85, Exit #19 to Clemson, SC. The drive from there will take approximately 1 ½ hours. Meet up time is between 9:00 – 9:30 AM. The restaurant opens at 11:00 AM so this will give us plenty of time to get there for lunch. I will provide each family with a copy of the menu at the April club meeting.

The Motor Co. Grill is a nostalgic, 50's style diner, with lots of oldies memorabilia. They serve a wide variety of foods from breakfast to burgers & then some which you can order any time of day; they offer ice cream, shakes, & have a soda fountain. This is quite a popular place, especially as Spring & warmer weather comes around. Seating is available indoors & outdoors.

Parking: The owner indicated that the grill is next door to a bank where we can park as a group, or there is another lot, within walking distance, between downtown Franklin & the grill where we can park, if needed.

After lunch, everyone will be on their own to enjoy the many activities Franklin has to offer. There are multiple antique shops; a gem & a quilt museum/quilting shops; an amusement park that offers putt-putt, go-carts, games, etc.; novelty/specialty shops and more for an afternoon of fun.

The address for the **Motor Company Grill: 86 W. Main Street, Franklin, NC.** If you have questions, contact Susan Williams @ (864) 378-1615. It would be helpful to have a head count prior to the day of the event, as the Grill owner has asked me to call ahead just before we arrive.

Hope you can make it!!! ☐

The Corvair Preservation Foundation is pleased to announce that we will be awarding two scholarships in 2021; one in the amount of \$1,000 and one in the amount of \$500.

To secure your application, please email me, Sarah Bruce, and I will get instructions out to you. The email address is: SarahVair@cfl.rr.com

There are certain eligibility requirements. For example, the applicant must be a member of either the Corvair Preservation Foundation or the Corvair Society of America or the child, grandchild or ward of such member.

July 1 is the due date for completed applications. Award winners will be announced shortly thereafter.

The Corvair Preservation Foundation's "Frank Winchell Corvair Memorial Scholarship Fund" is annually awarded to deserving students planning to attend a college, technical or trade school. We welcome donations to this fund. Using this website's navigation menu, go to "Make a Donation." There, among the selections, you will find a place to earmark your donation to the Scholarship Fund.

Sarah Bruce
Frank Winchell Memorial Scholarship Chairperson
